Regatta Safety Plan: ON THE WATER

Life Threatening Injury or Emergency:

1. **Survey environment** – stabilize injury or move to safety if necessary.
2. **Contact the Race Committee via VHF** - (event working channel or 16)
 - a. Advise them of your boat name, sail #, and position on the course.
 - b. Provide nature of emergency and gender/ age of person involved.
 - c. Provide best land-based contact number (cell #) for person associated with emergency for future contact.
 - d. Race Committee will manage the incident on the water with its assets and contact Harbor Police to activate emergency response ashore.
 - i. RC Signal boat Corinthian is 43' trawler with her name on transom.
It has AED and basic medical supplies.
 - e. All boats on the race course are requested to maintain a working VHF radio. Any boat may be called upon to assist in an emergency situation as directed by the Race Committee.
3. *If you elect to not involve the Race Committee, **Call Harbor Police (HP) on VHF 16 or at the Emergency Dispatch # listed below.***
 - a. Contact the Race Committee to inform them of your status and any assistance you require.
- **Shore location** for contact with medical assistance will be dictated by HP dispatch.
 - *If calling from cell phone,* determine your nearest shore location and be sure to use that as a physical point. Your phone may be broadcasting from a cell tower in a distant location.
See address locations for good pier access around the bay.
 - The best location for first responder meeting may vary depending on nature/severity of emergency and first responder locations.
This will be determined by 911 dispatch or HP dispatch.
4. Monitor the injury and administer first-aid as required.

Harbor Police (HP)

Emergency (619) 223-1133

Non-emergency (619) 686-6570

- Fiddlers Cove: 3205 CA-75, San Diego 619-522-8680

San Diego Yacht Club

Communications Plan: ON THE WATER

Life Threatening Injury or Emergency:

- After contacting Harbor Police and stabilizing the immediate situation, an informed member of the Race Committee should notify the General Manager as soon as possible by telephone (i.e. not broadcasting on VHF). The General Manager will notify the Commodore, Flag Officers, etc.
- Race Committee should record time and location of incident and continue to note subsequent communications or events as they occur. All recorded facts should be submitted to the General Manager, Regatta Manager, and Event Chair when ashore.
- When appropriate, document the names and phone numbers of contacts at Coast Guard or Harbor Police who were contacted/involved with the incident.
- If injured persons are being transported to hospitals, make note of where they will be transported. This should be relayed to General Manager, Regatta Manager, and Event Chair as soon as possible so this can be communicated to emergency contacts.
